

Oil Preheat and Supply Cart

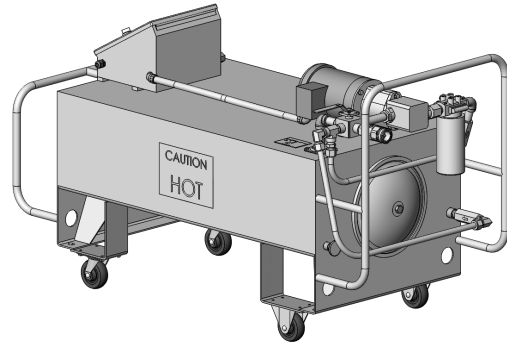

Overview

The Power Test Oil Preheat and Supply Cart provides a ready 60 gallon supply of filtered, preheated oil. The supply cart can be used to fill and/or drain oil from transmissions.

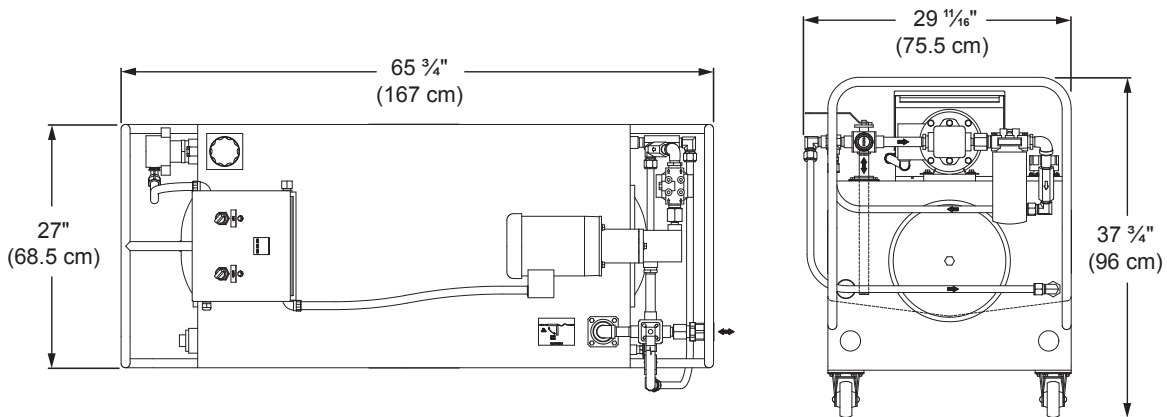

Oil Preheat and Supply Cart:

- Rugged design for use in the test cell with direct access to controls.
- Easy to operate and maintain.
- Includes an 11 micron filter.
- Oil pumping rate is 3.3 GPM.

With its added mobility, the Oil Preheat and Supply Cart can be used in multiple test cells.
